

From Uvex

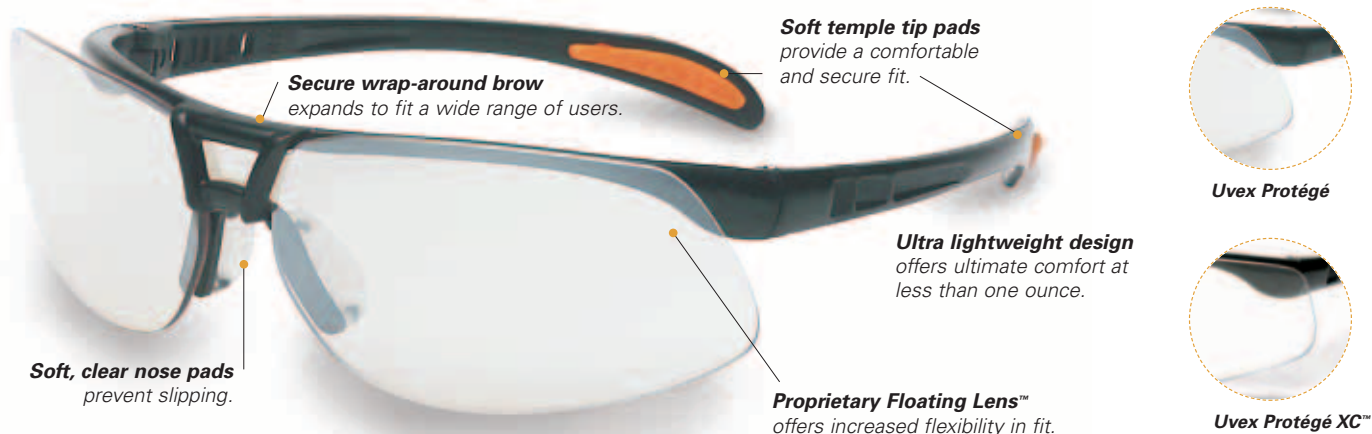

The Uvex Protégé®

Designed with Uvex's proprietary Floating Lens™ technology, an expandable wrap-around brow, soft temple tip pads and molded rubber nose pads, the **Uvex Protégé®** provides workers with exceptional comfort and flexible style. The **Uvex Protégé** brings sport-styling, lightweight comfort and flexible design – all weighing less than an ounce. Comfort never felt so light.

Nothing Protects Like Uvex.®

The Uvex Protégé®

The Uvex Protégé combines sports-styling with lightweight comfort and flexible design. And, because different jobs have different requirements, the Uvex Protégé is available with two lens coverage options – a standard 6-base lens or an extended 7-base (XC) lens for a closer fit and extra protection. Whether in construction, heavy manufacturing, utilities or various clean industries, with the Uvex Protégé, workers get the protection they need with the comfort and style they want.

Style and Coatings:

- Available in scratch-resistant Hardcoat or Uvextra AF anti-fog coating
- Product is available with metallic black or sandstone frame

Comfort:

- Proprietary Floating Lens design offers increased flexibility in fit
- Secure wrap-around brow expands to fit a wide range of users
- Ultra lightweight design at only 27.5 grams, weighs less than one ounce
- Soft temple tip pads provide a secure fit
- Soft, clear nose pads prevent slipping

Additional Features:

- Complies with ANSI Z87+ (High Impact) standard
- XC version complies with ANSI Z87+ (High Impact) standard and CSA Z94.3
- Meets military V₀ ballistic test for impact (7x greater than ANSI)
- Lifetime frame guarantee

All Uvex lenses offer 99.9% ultra-violet protection and are available with your choice of tints.

Clear
Used for most indoor work applications.

Gray
Minimizes outdoor sunlight and glare.

SCT-Reflect 50
Light mirror coating for varying light conditions.

SCT-Blue
Limits the effects of yellow or sodium vapor lighting which cause eye strain and fatigue.

Amber
Enhances contrast in low light applications.
